Now don't start with this shit again, you gave us all the evidence we need, don't you know there doesn't have to be actual physical evidence for an old child abuse prosecution. There's many a man sitting in prison now found guilty of child abuse without it. You are next, tut tut

You better pick your battles wisely fetti...and that goes for the other people on your acct as well.

Actually I take it back. You could write a book. Something like this...  
  
Chapter 1: Fetti says "a"  
Chapter 2: Fetti says "meh"  
Chapter 3: Fetti goes to prison (that's my favorite chapter)  
  
It'll be a best seller!
